# BERESFORD AVENUE, BARNET

---

Beresford Avenue is a new housing development offering 6 semi-detached family homes in Barnet, Greater London. The site is located to the rear of 2 existing dwellings with substantial gardens. Within the existing urban area the houses will be well located for existing services and will be close to numerous train and bus routes. Each dwelling will have EV charging for cars, green roofs, solar panels and SIP'S construction. The views of London from the rear terraces are stunning and will look impressive at night.
